This is the cinth reunion of the Texas division, and it is most graffying to state D. Monserrat, side de camp, San that at no time since its organization has that at no time since its organization has such interest been shown in its affairs as the Gould, aide de camp, Palestine, at present. This interest is widespread and is shown by the zeal of camp officers, individuals and, in fact, by all connected with the division. I take pleasure in writing a few lines in praise of your wonderful medicine, Wine of Cardui. It is the best medicine i ever heard of. I am 36 years old and have been sick all my life. I had a dozen doctors, but none of them did me any good. I have taken one bottle of Wine of Cardul and will take another with Black-Draught. I have been married six years and have a baby five years old. I had womb and kidney trouble. My monthly period was so bad that sometimes it came twice a month. I was too sick to do work for a family of three. I was in bed when I got the bottle of Wine of Cardui. Now I am up and can do most of my work. When I was sick I could not sleep at night. I sleep well at night now. A friend of mine advised me to use Black Draught with Wine of Cardui Mrs. ETTA KILLMAN.
